# The COP22 in Marrakech allows observers part of the Social Media conversation

#### **UNFCCC Launches New Online Platform**

Paris, Washington DC, 27.10.2016, 00:42 Time

**USPA NEWS -** The secretariat of the UN Framework Convention on Climate Change (UNFCCC) has today announced a new online platform to allow observers to watch key parts of the global social media conversation around the UN Climate Change Conference in Marrakech, Morocco (COP 22, 7 - 18 November).

The corresponding widget can now be downloaded now free of charge and embedded on websites of news media, bloggers and all interested organizations.-----
